

Golden Corridor Republican Women

11875 Forge Drive, Frisco, Texas 75035

June 27, 2011

Dear Golden Corridor Members (Active and Associate),

You will find your 2011 GCRW Membership Directory enclosed. We hope each section will be useful.

Every effort has been made to ensure correct information. While updating our records, it has been our pleasure to visit with many of our 415 current members - elected officials, new friends and long-time members of GCRW. Please stay where you live for at least a month, so the information will be current for a few days. J

Sharron Albertson directed our Ways and Means project - again raising a record amount. She and her dear husband, Howard Albertson, compiled and formatted the directory - spending hundreds of hours on these projects. Here's a big GCRW salute and "hats off" to both of them!

You are receiving one directory for each address. If you would like to have a second copy, they will be available at the meetings for \$5. If more than one person in your family is a member of GCRW, please feel free to pick up another directory at the next meeting.

GCRW thanks the following 104 sponsors who participated in our fundraising efforts. Your support has defrayed the costs associated with printing and mailing our directory and newsletter, maintaining our web site, www.GCRW.org, as well as many other worthy projects.
